15th February 2020

Dear Member/Associate

This is your official notification of the Group's 2020 Annual General Meeting held at Radnor YFC Centre, 5 Ddole Road Industrial Estate, Llandrindod Wells, LD1 6DF on Saturday 14th March 2020 commencing at 2:00pm.

I enclose the following documents which relate to this for your use:

- AGM 2019 Minutes
- AGM 2020 Agenda
- AGM 2020 Nomination
- AGM 2020 Notice
- Audited Accounts 2019
- Location of Radnor YFC

Please make every effort to attend as this is your opportunity to become involved with the group and influence its future course and direction.

Unfortunately, our committee membership has dwindled over the last year. Our current committee has nine members which is three below our full complement of twelve. Consequently, we are asking members to consider volunteering to fill these vacancies. There is a nomination form supplied to use for your application. Please contact me if you would like to know more about joining our committee. New committee members will bring fresh ideas and help shape the future of the group. Please don't leave it to others as they are leaving it to you!

Light Refreshments will be provided so please let me know if you will be able to attend.

Yours faithfully

Geoff Smith
MWAM Secretary
